### Basic Information

#### About ARR

ARR is responsible for enrolling, registering, and maintaining the records of every student who has attended Kishwaukee College. Our records range from Kids College attendees to retirees!

ARR is part of your entire Kish experience. You begin here by filling out your New Student Information Form and submitting your transcripts. While you attend, we keep track of your grades, course of study, and other information. As you prepare to transfer to another university or to enter the workplace, we can send out your official transcripts. Finally, we are proud to have the honor of planning and celebrating your graduation.

### Philosophy

#### Favorite Quotes

"Relax, unwind, register online"

"Lights, Camera, Action; You're the main attraction!"

### Activities and Interests

#### Interests

Assisting students with course registration; accepting and evaluating external transcripts; mailing out official Kish transcripts; planning graduation; routing Flat Stu; promoting online and early registration; maintaining student records; answering student questions
